SOLID WOOD MAKER

PRODUCT CATALOG

Not just furniture, but a legacy of living well

About us

TPK Woodworks was founded in the 1980s and transitioned from a furniture producer to a general woodworking company. We handle both custom-built residential and commercial renovation projects, as well as furniture manufacture.

Despite the changes, we have maintained our competence in solid wood works since the founder believes that only solid wooden furniture can deliver the most valuable user experience, as the solidity feel and reliability of solid furniture is unsurpassed.

With over 30 years of experience dealing with solid wood, we utilize our expertise by offering a wider range of products and services to our valued customers.

Why choose us

SOLID WOOD EXPERT

We, solid wood maker engaged in the creation and production of other goods using solid wood as the main material. Specialize in crafting products from high-quality, durable wood species, employing skilled craftsmanship and techniques to create unique and long-lasting pieces.

COMPLETELY CUSTOMISABLE

Fully customisation on solid wood furniture and tailor every aspect of the furniture piece according to your preferences. It involves the freedom to choose the wood species, dimensions, design, joinery, hardware and finishes, among other features. This customisation allows for a unique and personalized furniture item that aligns with your style, functional needs and aesthetic preferences.

PREMIUM & HIGH QUALITY WOOD

Crafted using only high-quality timber, our products showcase the impeccable standards of select grade lumber, ensuring exceptional durability, exquisite aesthetics and long-lasting beauty.

SELF OWNED FACTORY WITH LOCAL FORCE

Our factory spans across an expansive physical space, accommodating multiple production lines and a substantial workforce. Our factory boasts efficient production areas and specialized equipment to handle significant production volumes.

The solid wood furniture collection

Every furniture in our collection begins with a story. Rooted in nature, shaped by hand and perfected with passion. We select only the finest solid wood, chosen for its strength, grain and timeless beauty. Each piece is carefully cut, joined and finished by skilled artisans who honor traditional craftsmanship while embracing modern precision.
